## Community Website

[www.hickoryhillplantation.info](http://www.hickoryhillplantation.info)

See our entrance, information on our officers and board members, answers to frequently asked questions (FAQ), and links to Charleston sites.

On the front (home) page, I clicked on **Newsflash** to see the planned development of the forth coming West Ashley park.

When I clicked on **FAQ** I found the following number of log ins.

Curb side collections & disposal = 3  
Mopeds = 6  
Abandoned motor vehicles = 8  
Can I drive a golf cart? = 39  
Dirt Bikes = 33  
Hurricane Preparation = 3

When I went to the right side of the home page and clicked on Links I found the following number of log ins.

Weather = 10  
City = 1  
County = 4  
City recreation = 7  
Charleston Recreation (July/Aug) 3  
NBC News 2 = 3  
CBS Live 5 News = 1  
ABC News 4 = 0  
Post & Courier = 1

The Board will continue to update and improve our infant website. We're interested in your thoughts, suggestions and concerns. We continue to meet monthly to help our neighborhood be the best it can be.

## Drainage Improvement Public Meeting

You are invited to attend a public meeting that will have a positive effect on the drainage within our neighborhood at Drayton Hall Elementary School cafeteria on **July 31st at 7 pm**. Steven A. Kirk, P.E. (Senior Engineering Project Manager) from the City of Charleston wants all residents of our neighborhood to have an opportunity to attend and learn about the project. Since this is on a Tuesday Evening, Jill Lundgrin plans to attend. Let's save gas and carpool. If anyone is interested in riding with me, please let me know. If unable to attend and you have questions, you may contact Steven at 579-7682.

## President's Message

I'm really excited that our website is up and running. Thanks to Josh for setting up and continued thanks to Don Sandusky who has volunteered to keep the website current.

## Safety Tips

I understand that most cell phones have a GSP safety feature. This feature may allow emergency responders a more precise way of detecting your location in case of an emergency. To activate this feature, turn your phone on and go to settings, then under location select this feature by turning it on or off.

## Assessment

If your assessment is late, the Board will be following up and pursuing as needed.

No pay, you're noticed.

## Garden Club

Thanks to Debbie Sottile and the club for obtaining the sign and displaying it as a friendly reminder when our Tuesday recycling day is approaching.

## You Missed!

My husband and I had made our first visit to the 8th Annual Law Enforcement/Community Unity Day in Brittlebank Park on Saturday, July 21st. They had lots of free food—seasoned crabs, hotdogs, hamburgers. Also included free were games and prizes for the children. All this time we enjoyed a variety of free entertainment and especially enjoyed two eleven year old boys, called *Flyboys*, who sang.

We had the opportunity to listen to and introduce ourselves to Chief Mullen, City of Charleston Chief of Police. Although I haven't had a chance to visit the Citizen Advisory Group (CAG) meetings, I hope we'll have attendance at the next area CAG meeting at 6:30 pm on Thursday, August 23 at Ashley River Creative Arts Elementary School.
